

Universal brake flaring tool set, 11 pcsFlarefix II

Article No.: 122.1260

EAN: 4042146401842

Promotional price: €311.00 *

Description

- easy and handy to use
- with hydraulic pressure spindle
- enables use directly on the vehicle
- prevents damages of the coated surfaces
- for the universal use in vehicle workshops
- ideally suited to the use at brake connections and/or hydraulics connections
- for thin walled steel-, Aluminium and copper conductions
- for the manufacture of convex and double flared joints
- fast and precise work results through straight flaring tool action
- no rotating prevents the pipe from splitting
- in durable plastic storage case

Properties

Application in general: automobile

Function attribute 1: hydraulic

Height H: 35

Packaging: plastic storage case, extra robust

Packaging contents: 1

Packaging height, mm: 74

Packaging length, mm: 428

Packaging width, mm: 272

Parts in the set: 11

Total length L in mm: 390

Weight [g]: 3190

Width B: 188

Consists of

Article No.	Quantity	Article	RRP: (ex. VAT)
